## RSVP MOVIES CASE STUDY

### EXECUTIVE SUMMARY AND RECOMMENDATIONS:

This summary is based on the insights listed in the IMDB dataset.

we can make the following conclusions:

- In 2017, 3052 movies were released, and the maximum number of movies released in March month is 824 movies.
- In the 'Drama' genre, 1059 movies were released in 2019. As a result, RSVP Movies' next project should be in the 'Drama' genre.
- It has an average duration of 106.77 mins.
- The sum of total votes for German movies is 2026223 while for Italy is 703024. Hence we can say that German movies get more votes than Italian movies.
- Based on the data, we can predict that Dream Warrior Pictures, ranked first, or National Theatre Live ranked second, will produce the next project.
- James Mangold could be hired as the director for the next project because of his higher average rating.
- As a global partner, Marvel Studios ranked first, and Twentieth Century Fox ranked second or Warner Bros can be chosen because the number of votes received for these is higher than for other production houses.
- Mammootty ranked first or Mohanlal ranked second can be hired as the Actor for the next project based on their median rating.
- Taapsee Pannu could be chosen as the actress for the next project based on the total number of votes cast and the average rating and an average rating of 7.74.
- Vijay Sethupathi could be hired as an additional actor for the next project based on the total number of votes.
